Objection to the revocation of soldier status land as at present provided for by the U.F.A. at its convention in Edmonton on Friday last.

A resolution was submitted that a straight party, reducing the soldier debt, which would be fair to all, was submitted, but an amendment by Col. C. W. Robinson (Mussau) was adopted. The amendment reads for the following:

ONLY FAIR PRICE  
"1. To insure that the soldier settler shall pay only a fair price, and that there be as specifically as possible a revaluation of each and every property which the soldier settlers have contracted to buy from the department."

"2. We deem it essential that every board dealing with revaluation should include in its membership representatives chosen by the soldier settlers themselves."

"3. Further, that soldier money on the land, who are in arrears in the S.B.S. bill be refunded, and an action for their removal shall be kept in abeyance until such time as the Revaluation Act shall be operative."
